flexible

highest
quality

easy to
install

* Projects designed and installed by Atlas Display (DHB) Ltd

- Choose from 1.5mm or 3mm thick galvanised steel cables - will not fray, kink or mark, unlike stainless steel
- 1.5mm cable supports up to 120kg, 3mm cable up to 200kg
- Designed and manufactured to the highest possible standards of quality
- 5 year guarantee on all metal components
- Extensive range of components and accessories ensures complete design flexibility
- Low-voltage lighting can be fully integrated onto the cable systems
- Stylish yet discreet design
- Easy to install, with an installation service available if required
- Available in 3 standard finishes - satin chrome, polished chrome and brass. Special finishes are available on request
